

## ICS Services Comparison

**Instructional Communications Systems (ICS)** offers several services to allow you to meet, teach and learn at a distance. We offer technology tools with a variety of features, including audio conferencing (WisLine Anytime), webconferencing (WisLine Web),

webcasting (WisLine Webcast), and videoconferencing (WisLine Video). You can use these tools to share audio, video, computer content and more. For more information, please contact WisLine Services at [wislineservices@ics.uwex.edu](mailto:wislineservices@ics.uwex.edu) or 608-262-4342.
